Volunteer Registration Form

A volunteer is someone who works for the community for the benefit of society. The Lethbridge Community Schools Association's main objective is to bring the people of our community together. What better way to contribute to society than through a non-profit organization that strives to enrich and enhance community spirit.

The Lethbridge Community Schools Association has a continual need for volunteers. Ways that you can assist your community through our organization range from single events, fundraisers, and programs that provide opportunities for social and learning experiences. Contact us to find out what you can do as a volunteer to benefit society through the Lethbridge Community Schools Association.
